

Model 176 Lina

Vest

For Size Small = left numbers
 For Size Medium = middle numbers
 For Size Large = right numbers
 If there is only one number, it applies to all sizes..

Materials – Lina from Austermann
81% Viscose, 19% Linen, each ball = approx 95 m/ 50 g
200 (250/300) g color #10 natur (natural)

Crochet hook size 4 mm (US G-6) from Schoeller + Stahl
 One piece stiff cardboard

Take time to check gauge! (Change needle size if necessary)

Pattern St:

Alternate 3 rows sc and 1 row Hairpin Lace with 4 mm (US G-6) hook = 1 Repeat in height
 Gauge: 19 sts = 10 cm, 1 rep in height = 6 (7/8) cm/2 ½ (2 ¾ / 8 ¼)''

Hairpin Lace:

For this technique you need one straight strip of stiff cardboard.

Length: 60 (62/64) cm/23 ½ (24 ½ / 25)'' , Width: 4 (5/6) cm/1 ½ (2/2 ½)''

The width of the cardboard strips determines the height of the loops, that are formed between the 2 rows of single crochet.

Begin with base chain, and work 3 rows sc. After the last sc, draw up the loop to the height of the cardboard strip. Lay the strip behind the long loop, bring the working strand under and behind the strip and with crochet hook draw the strand through the long loop at top of the strip. Insert hook in next sc, draw strand through, keeping yarn at back, and pull up a long loop to the height of the strip, yo and pull through loop, then yo and pull through both loops on hook to complete sc (see diagram a). Cont in this way until all sts have been worked. Pull out the cardboard strip and cont in sc. When working the next sc row, insert hook in both loops of the sc as well as the loop in front to secure the stitch. Then work 2 more rows sc. On the next RS row, work sc again over the cardboard strip.

Instructions:

The beginning of the piece is shown with a heavy line and marked with and "x" on the schematic.

Ch 96 (100/104) and work in Pattern St. Work 2 repeats over all the sts. Work 2 repeats over 81 (85/89) sts, and at LH side, leave 15 sts unworked for the neck shaping. Then work another 2 repeats over all sts, 1 repeat over 48 (50/ 52) sts, and at LH side leave 48 (50/52) sts unworked for the armhole shaping. Then work 2 repeats over all sts and fasten off.

Then turn the piece so that you can work along the foundation ch. Along this ch, work 1 repeat over 48 (50/52) sts, and at RH side leave 48 (50/52) sts for the armhole shaping, then work 2 repeats over all sts. Fasten off.

Finishing:

Sew shoulder seams over 8 (9/10) cm/3 ¼ (3 ½ / 4)'' , easing the top width to fit. Along back neck edge work 1 rnd sc. Along front edge and lower edge, attach fringe, with finished length approx 10 cm/4''.
